An all-encompassing dream kitchen

Bringing you the ideal home and dream kitchen, German Pool introduces a series of custom designed and crafted kitchen cabinetry from the brand new Cuinia Kitchen, which matches well with its products.

A contemporary European brand with fashionable design, Cuinia Kitchen caters to the different needs and cooking habits of users, through tailor-made kitchen cabinets that come in various sizes, materials and colors.

Playing a part in environmental protection, Cuinia Kitchen employs materials that meet E0 and E1 class in environmental standards, and international safety requirements.

To enhance efficiency of the modern kitchen, a wide range of accessories are available for storage and food preparation. Joining forces with German Pool, Cuinia Kitchen's cabinets will perfectly pair with German Pool's built-in kitchen appliances, including oven, range hood, refrigerator, dish washer and sterilizer.

Essential for a clean fumeless kitchen

Energy-saving and quiet, German Pool's chimney type range hood Ultra Series features 2,800 R.P.M. turbo-speed motors, with 4 air inlets and advanced panel hole design for superb extraction effect.

A culinary revolution in steam oven

With higher efficiency and greater capability, German Pool's latest 2-in-1 Steam and Grill Oven not only helps preserve moisture and nutrients in food, it also gives you more options for home cooking.

Thorough and eco-friendly sterilization

The powerful ozone and UV combination of German Pool's new built-in Ozone Dish Sterilizer leaves no hidden spots for bacterial growth. There is no room for pollutants and harmful residues, while saving water and detergent. It is, therefore, by far the most eco-friendly way of cookware sterilization.
