The Ultimate Christmas Gift Guide

Here are our picks of the best Christmas presents! Enthuse the baking lover, the serious cook or the gadget fan with these state-of-the-art lifestyle appliances from German Pool!

For the bread lover

German Pool Petite Bread Maker BMR-6100

With the fastest baking programme on the market, it takes only 1.5 hour to bake breads such as whole wheat, baguette, and chocolate roll. 12 one-touch programmes means that even dough and jam can also be made.

For the noodle lover

German Pool Automatic Dough & Noodle Maker PAM-181

With a 360-degrees kneading mechanism and a patented downward extrusion nozzle, this noodle maker makes fresh, untangled al-dente noodles of all shapes, sizes, and nationalities in just 6 minutes.

For the picky foodie

German Pool Multifunctional Rice Cooker MRC-205

A god-send for the picky foodie, this rice cooker is microcomputer-controlled with 9 rice-cooking programmes tailor made for Thai, Japanese and Chinese rice. 11 additional cooking functions include yogurt, bread, cake, soup, and so on.

For those in need of relaxation

German Pool Far Infrared Tapping Massager

Wrap this massager around the shoulder, neck, back, waist or the thigh to alleviate pains and aches. The unique FIR energy spots, BIO-ACT technology and human-like tapping motions can help boost metabolism and reduce fatigue.

For the busy foodie

German Pool Auto-Power Switch Multifunctional Health Cooker DFC-818

This cooker heats up rapidly before switching to a stable temperature to cook food evenly and to avoid boiling over. With 18 built-in functions such as bake, cake, grill, boil, and more, the busy foodie can make a perfect meal with just one touch!

For the master baker

German Pool Halogen Cooking Pot (Portable Oven) CKY-882

A god-send for those without a proper oven, this portable oven can bake turkeys, cakes, steaks, and pies easily! Using heat conduction, convection and direct heat penetration, food is cooked evenly in a much shorter time!

For the health-minded urbanite

German Pool Professional High-Speed Food Processor PRO-11

This 30,000rpm food processor renders food and veg into a high-fibre and smooth drink for 100% absorption of nutrients. 6 built-in programmes: Soy Milk, Nuts, Smoothie, Bisque, Vegetables and Sauce make fresh delicacies at the blink of an eye.

For the master chef

German Pool Infrared Ceramic Cooker GID-AS28T

This flameless cooker is compatible with any pots and pans whether they are ferromagnetic! Now, you can use your casserole, stone bowl or clay pot for all sorts of cuisines!
